I am writing to express my opposition to the Lutsen expansion project. The Grand Portage Band of Ojibwe has expressed their concerns of the damage this expansion would causs. As this is their ancestral homeland taken by (unfair) treaty process, I believe that their voice should be the strongest voice in this and listened to.

I am also a frequent user of the Superior Hiking Trail and feel that this land should be preserved for everyone rather than given to a private company to be developed for profit. We need our Northern Minnesota forests preserved!

With respect,
Anna Splady
