Good morning Hardcore VIP Zone 2 employees

Bryan Holmes 870 214 0827 states the comment period for Buck Hollow closes Jan 7, and when he reached out to Paul yesterday via E-mail he received the message that Paul is on leave through Jan 9.

Paul: If you get this E-mail, I would recommend connecting with Keith as Mr. Holmes is only interested in keeping/renewing his easement to his landlocked property within Buck Hollow project area. He has no Qs about anything other than this.

Keith: As above, Mr. Holmes just wants information on his grandmother's easement, under Helen Holmes. Bryan says the easement was paid by his grandmother every year and she passed away about 5 years ago: Does it need to be back paid, or is the bill current? Bryan says perhaps his grandmother set up an automatic yearly payment system, he does not know. Please call him back, ideally before Jan 7th when the comment period allegedly ends

Chris: I remember you talked to someone yesterday about Buck Hollow (when I was out to lunch) so I am tagging you in the loop mostly FYI

Jo-el: FYI only
