Comments: Comment on forest plan revision

I live in Pitkin and have for 22 years. I am very concerned about the forest health and the negative impact of some ATV/OHV riders who go off road and damage the vegetation not to mention the impact on the wildlife. There has been way too much traffic of this type of vehicles as well as dirt bikes in the area around Pitkin and between Pitkin and Tincup.

Sincerely, Susan Metzler, Pitkin
