Comments: I enjoy skiing and love going to Lutsen Ski Resort but I also feel that it is important to keep public land open and free. If Lutsen is allowed to develop this land it will no longer be public land, I will have to pay a large sum of money to use the land and the land will be cleared and large machinery for ski lifts added to it. I love the option of being able to use the land to backcountry ski for free, hike in the summer and enjoy it in its most natural state. If Lutsen develops this land it will be changed forever.
