First name: Mike

Last name: Hyde

Organization: Duchesne County

Title: Community Development Director

Comments: Duchesne County submitted comments previously on this draft. Most of our comments were incorporated. However, it appears that the plan still fails to mention that many areas of the forest have been withdrawn from Forest Service

management due to presence of Central Utah Water Project (Bureau of Reclamation) facilities that collect and convey water to the Wasatch Front. This needs to be noted in the plan and the plan should include a map of those areas.
