Comments: Hello, my name is Kris Severance, I live in Colorado Springs. I have been four wheeling in Colorado for over 20 years. I am a member of a local 4WD club. Our club works with the BLM, PSI, and GMUG on various trail maintenance projects throughout the year. My goal in writing this comment is to help ensure that outdoor recreation opportunities in our great state are maintained.

I have reviewed the information presented on the Grand Mesa, Uncompahgre and Gunnison Forest Plan Revision and I support Alternate C since it is closest to the existing Forest Plan, however I do believe there are several mapping errors in the draft revision.

Other organizations such as CORE, TPA, and COHVCO are detailing these errors and I support their comments. These user groups have detailed knowledge and very accurate maps of all the motorized routes and can be a valuable resource. Accuracy is going to be the key to creating a useful plan that can be used for many years to come.

Thank you for taking the time to read my comment and helping to keep our trails open!
