Subject
Soldiers Pass - In favor of having
Red Rock Jeeps use number 5 Drop
from 10 jeeps at one time down to 5-
jeeps at one time, and Double their yearly
number's to make up for the drop in the
at one time number's. This plan would drop
the number's and insure that Red Rock
would be on the trail the whole year
maintaining the trail. It would also
be a good idea to put up solar powered
gate that tour guides & public alike
would have get a permit and information
to use the trail. The public would be able
to get them for free at Red Rock Pass.
