Comments:

I Support option A - I would like to maintain this area - Hooper Roadless Area - as recommended wilderness. I feel that this area has tremendous value as wildlife habitat & it should not be disrupted & fragmented by motorized vehicles. The Great Burn is a spectacular & unique area & should remain protected. If motorized use is allowed - it will be virtually impossible to monitor & manage - thereby damaging the area even further. Please eliminate option B.

Signature of Individual Commenting:

A handwritten signature in dark ink, appearing to read "Kate Geranios", written over a horizontal line.
