## Comments:

For 40 years, Montanans have tried to get the Great Burn included in the wilderness act. I want to support the Proposed Action Option A for the Great Burn Roadless Area and add the Big Horn - Weirton Roadless Area to recommended wilderness status.

The Great Burn is a Montana treasure - full of beautiful lakes and forests.

I am absolutely opposed to Proposed Action Option B which opens up the center of the area to snowmobiles. I have hiked along the stakeline trail and observed how ATVs have ignored road closure signs now. Opening up this area to snowmobiles will result in an intrusion on critical wildlife habitat.

~~Keep this area the way it is~~
