Forest Plan Revision
Nez Perce-Clearwater Natl. Forest

To Whom it may concern:

Thank you for the opportunity to review and comment on the forest Plan revision. It is exhaustive and obviously a lot of consideration by concerned and knowledgeable people. In spite of having lived on the Clearwater for 80 years and participated in it's many opportunities as a logger, a health professional, and a recreationist, I do not feel qualified to comment except from a very biased base.

Admitting that my knowledge base is inferior to nearly all of your personnel involved in the "plan", I defer to their judgment at this time. However, I think that your effort to consider public opinion fulfills your obligation.

Respectfully,

William E. Chetwood, D.M.D.
