Forest Plan Revision
903 3rd St
Kamiah, Id 83536

Dear Sir or Madam:

I am writing to ask you to declare as wilderness and/or protect all roadless areas including the additions to the Gospel Hemp, identified by FOC. Natural processes have a better record in creating forests than your agency. Be inspired as many have been by our great environmental president, Teddy Roosevelt.

Water quality, wildlife habitat and fish habitat standards need to be enforceable, without loopholes.

Thank you for your consideration of these recommendations.

Sincerely,

A handwritten signature in cursive script, reading "Gloria J. Fischer".
