U.S. Forest Service

Albuquerque, New Mexico

D2 5K6 does not need to be designated as a Wilderness.

There is substantially noticeable past human activity due to logging in that area .It is not necessary for D2 5K6 to be designated wilderness.

Please do not designate the D2 5K6 plot as wilderness. There are many of the same species there as there are common to the rest of the Cibola National Forest.

A handwritten signature in cursive script, reading "Idlene Merabal". The signature is written in dark ink and is positioned to the right of the main body of text.
