

Forest Plan Revision  
Comment

I am a disabled Vet  
that owns property on  
Vulcan Mt. surrounded  
by Natl Forest. I use  
my ATV for mobility, but  
I am not allowed on  
Natl Forest roads.

I see no use in closing  
roads or recommending wilderness.

I am not opposed to some  
wilderness but would like  
more access.

I'm thinking your "preferred  
alternative" would be OK.
