RE: Request to extend comment period an additional 45 days

Ms. Dillon:

The Board of County Commissioners respectfully request an additional 45 days to provide comments on the Proposed Revised Land Management Plan for the Colville National Forest.

Given the considerable impact of the proposed regulations and the degree of information involved, we feel it necessary to have additional time to adequately review the proposed alternatives in order to identify any issues pertinent to Pend Oreille County.

We appreciate your consideration of this request to extend the comment period an additional 45 days to August 15, 2016.
