Dear Ms. Browne,

I am writing to express my opinion that Little water Canyon, on the south slope of the Zuni Mountains, New Mexico, should be recognized as having a unique and special habitat that is rare for the Zuni Mountains. Little Water Canyon should be set aside as a special place in the Cibola National Forest and protected from future development, which might come from any source.

Charles G. (Jack) Oviatt

A handwritten signature in cursive script, reading "Charles G. Oviatt". The signature is written in dark ink and is positioned below the typed name.
