DRAFT Process Paper July 18, 2016	Appendix I			You should increase the number of Wild & Scenic Rivers; 7 is not enough
	Appendix D	172-173		We need to increase the area of wilderness. We should follow the recommendation of the Cibola Citizen's Coalition. I have hiked and backpacked in several of the areas that were inventoried as roadless areas in 2001. Roadless areas in Magdalena, Bear, Datil, San Mateo, & Mt. Taylor should be protected as wilderness. This should be done now, before these areas are degraded and lost.
