**"The Loop":** 14.4 miles round trip from Patagonia. A great introduction to biking in the area.

**Mowry Loop:** Wonderfully varied terrain, and stunning views of the San Rafael Valley. About 29.9 miles round trip from Patagonia.

**Guajolote Loop:** A relatively flat 8.5 mile loop, starting and ending at FR 49. There is the option of going off the loop and riding up to a nice view. (Not measured from Patagonia)
