What issues or changes have you noticed regarding this resource? we do not have enough mt. bike trail opportunities in Ouray County. Essentially, we have the lifts trail and nothing else that is open to bikes and not open to motorized use - RAT/Copmosha can build ALL main-

What is or isn't working regarding this resource and current management? tain high-quality multi-use, non-motorized single track trails. Failure to create and manage more such opportunities will lead to user created messes & user conflicts. Failure to recognize the impact of rec trails on

What suggestions do you have to improve management of this resource through the revised Forest Plan? USFS land will have a severe negative impact on local economic, cultural, social and health issues. As population increases & money becomes scarce the FS will need more volunteer coop & needs to address the fastest growing class of users - non-motorized rec users
