What issues or changes have you noticed regarding this resource? limited mountain biking access on F.S. lands. Wanting to partner with FS to help steward land use through trail development, maintenance, advocacy, trail management.

What is or isn't working regarding this resource and current management? better partnering on trail issues regarding multi-user groups. We have developed a great relationship with RAT and the FS which we wish to continue.

What suggestions do you have to improve management of this resource through the revised Forest Plan? allow more seasonal and/or multi-use trails in Ouray County including high alpine options.
