I'm writing to add my voice
To let you know that CDA
should have a public meeting /
hearing regarding the Nene-Forest
Clearwater Ntl Forest Plan;
Revision and Draft Evaluation
Impact Statement because
it is my favorite playing
ground to hike, fish, take pictures
mushroom hunt and wonder.
Also (the) we the people in
CDA feel that (the) Clearwater
Ntl Forest is our sort of backyard
play ground.

Looking forward to hear that
you would arrange for ~~th~~
a meeting/hearing at a reasonable
hour like ~~and~~ evening after
6 pm.

Sincerely

Cecilia Noltinius
