Dear Objections Officer,

Baker County appreciates the responses to our Comments on the Forestwide Aquatic Restoration EA. Thank you for taking a hard-look at our comments and providing feedback in good faith. We have no further objections and look forward to working with the Umatilla National Forest on projects that are mutually beneficial through coordination and face to face dialogue.

It is with great hope that our partnership in working with you will help to set the standards high for others to follow.

We welcome you at any time to discuss relevant issues that may arise.

Once again, thank you.

Sincerely,

Bill Harvey, Chairman
Baker County Commission
