The White Mountain Apache Tribe Historic Preservation Office appreciates receiving information on the proposed project, dated September 25, 2018. In regards to this, please attend to the following statement below.

Thank you for allowing the White Mountain Apache tribe the opportunity to review and respond to the above Coronado National Forest proposed projects in the Safford Ranger District, and in the Douglas Ranger District, in southern Arizona, and we have determined the proposed project **“will not have an impact”** on the White Mountain Apache tribe’s historic properties and/or traditional cultural properties.
