Dear Mr. Moore:

I am commenting on the **ENF** OSV Project regarding the portions addressed in Alpine County. Although I am a member of the Alpine County Board of Supervisors I am commenting as an individual and not for my Board.

I am concerned that the map showing the Preferred Alternative 5 does not adequately show the necessary detail with respect to parking for OSV vehicles nor the relationship between the proposed OSV trails and nearby cross-country ski trails near Caltrans' Caples Lake Maintenance Station.. Although I did not comment earlier, this concern is shared by others that have commented, and I am hoping that it will be possible to review the alternative in more detail prior to a final decision.

Thank you for the opportunity to comment.
