Dear Randy Moore:

I am commenting on the ENF OSV Project regarding the portions addressed in Alpine County. I am a member of the Alpine County Board of Supervisors, and I am commenting as an individual and not for my board.

After carefully reviewing your Draft Record of Decision which selected Alternative 5, I must admit that the maps were extremely hard to decipher where some of the designated OSV trails were or the location of the designated parking areas for vehicles at Caples Lake Caltrans.

I would like to be involved with any negotiations to solve any loose ends regarding your Final Decision of the Record of Decision.

Thank you for the opportunity to comment.

Sincerely,

Terry Woodrow
District 4 Supervisor – Alpine County
