**Subject:** Red Rock Vegetation Project #51022

Dave,

No road or trail closure allowed on this vegetation project as we were informed at the Boulder meeting in 2017. Some spurs will not be needed but connector and main routes should stand. I am a member of CTVA Helena and spend a lot of great time on trail maintenance and riding. I have put over 10,000 miles on my ATV,s. We want to work with the Forest Service and BLM as individual's we can offer good insight projects like this.

Thank you Rick Anderson
