

Dear Custer Gallatin National Forest:

I support tightening up any language that further clarifies that bikes <sup>and all mechanizes</sup> be <sup>equip</sup> excluded from wilderness. I believe group size in Wilderness should <sup>be</sup> reduced to 12 max, instead of the current max of 15. I believe strongly that recommends Wilderness be managed the same way as designated wilderness and should not allow mountain biking or any other form of mechanized or motorized use. There should be Wilderness in the Pryor Mts. - I support wilderness for Lost Water, Big Pryor, Punch Bowl, + Bear Canyon. Similarly I support wilderness in the Crazyes. Maintain wilderness protections in the recommended wilderness in the Lionhead. I would like to see recommended wilderness surrounding the Absaroka-Beartooths including Dome Mountain, Chico Peak, Emigrant Pk., West Woodbine, the E. Rosebud to Stillwater, and Red Lodge Creek. I support Alternative D!
