Subject: Stibnite Gold Project
Date: Wednesday, July 19, 2017 2:37:20 PM

I am writing to encourage you to issue the permits required in order for the Stibnite Gold Project to commence operations.

After reviewing project details, I believe that the benefits to the environment in proposed remediation and reclamation activities would be extremely beneficial to the long-term health of the local ecosystem. These benefits might otherwise go unrealized and that would truly be a shame.

Thank you,
Melissa
