Dear Sir,

I am writing to support the Stibnite Gold Project that Midas Gold Idaho is working on. Midas Gold has made a commitment to restore and improve the surrounding area keeping it a safe place for wildlife and a beautiful place for visitors to enjoy. Idaho is a very special place to our family and it is important to us to keep it beautiful. Midas Gold's commitment to the environment is impressive and appreciated. This area in Idaho will be a better place for all flora and fauna as Midas continues their work. Midas is also bringing jobs to the area. This adds a much needed boost to the economy. Midas Gold's Stibnite Gold Project is having a positive impact on the environment and economy.

Respectfully,

Mr. Dan Field
