Dear GMUG Planning Team,
I'm sitting above the roaring
Bear Creek watershed on the
Bear Creek Trail. I'm writing
to ask you to support the
Community Conservation Proposal,
Bear Creek addition to the Uacompahgre
wilderness. I see big horn sheep
here all the time, and it is ~~a~~ big
bear & elk habitat. The scenic value
is superb. Please help protect this
natural treasure for future generations!

Sincerely, Judi Chamberlin 8/15/19
