Dear Supervisor Dallas,

Please find attached 3,722 letters from National Wildlife Federation members joining the formal protest filed by the National Wildlife Federation, The Colorado Wildlife Federation and the New Mexico Wildlife Federation filed on October 1, 2019. Please also find attached a pdf file listing the 815 names and zip codes of National Wildlife Federation members who joined our formal complaint via the connectedcorridors.com website.

Our members were engaged in the public comment period, and supported inclusion of the SIAs in the final plan. Thank you for considering these objections.

Sincerely,

Mary Greene
