Comments

Twisp River is one of the winter snowmobiling Routes - Both side of River - If plowing in winter - consider only plowing one side - leaving the other side open for snowmobiling. Also - Buttermilk - Black Pine is also a Route.
Also concerned about putting trees in River - Have seen pretty high water in Spring
Fence off Twisp River along side of Roads End campground. Save the actual campground

Please return to: Methow Valley Ranger District, ATTN: Twisp Restoration Project, 24 West Chewuch Road, Winthrop, WA 98862, or enter your comment at <https://cara.ecosystem-management.org/Public/CommentInput?Project=56554>
