1 Day 1 Sitka

Explore beautiful Sitka, the only community in Southeast Alaska that faces the open ocean waters of the Gulf of Alaska.

Highlights of the day:

- Get up close and personal with a giant Pacific octopus and handle starfish, sea cucumber, and more at the Sitka Sound Science Center
- View majestic birds of prey at the Alaska Raptor Center
- Experience the Fortress of the Bear rescue center

Embark for the winding narrows north of town while searching for bald eagles, sea otters, bears, whales, and other wildlife.

2 Day 2 Saginaw Bay

Enjoy kayak and DIB (shallow water expedition craft) exploration in northern Kuiu Island's Saginaw Bay. Beachcomb or hike along the beautiful secluded coastline of the area, where marine fossils are sometimes found.

3 Day 3 Petersburg & Frederick Sound

Discover the charming Mitkof Island fishing town of Petersburg. Founded by Norwegian fishermen in the late 1800s, Petersburg is nicknamed Alaska's "Little Norway." Experience this Scandinavian culture with a folk dance show by local youth at the iconic Sons of Norway Hall. Later, enjoy a narrated bus tour and take time to explore the vibrant community at your own leisure.

Scout for humpback whales and other marine mammals in the world-renowned whale waters of Frederick Sound. Humpbacks are famous for behavior that lends itself to incredible viewing and photography, such as tail lobbing, lunge feeding, pectoral slapping, breaching, and picturesque dives that showcase their massive flukes.

4 Day 4 Tracy Arm-Ford's Terror Wilderness

Journey through Tracy or Endicott Arm in the Tracy Arm-Ford's Terror Wilderness, a place the famous naturalist, John Muir, referred to as, "A wild, unfinished Yosemite." Renowned for its pristine waterfalls, towering icebergs, abundant harbor seals, and granite cliffs that rise from sea level to 4,000 feet, this wilderness is often referred to by locals as one of the most scenic areas in the state. Both of these dramatic glacial fjords offer stunning views of tidewater glaciers. Skiff excursions provide the opportunity to view the majesty of the area in even greater detail.

5 Day 5 Juneau & Orca Pt. Lodge

Spend the day visiting highlights of the scenic capital city of Juneau, including the world famous Mendenhall Glacier, before enjoying a dog sled demonstration. End the day's adventure with a relaxing evening at Orca Point Lodge, our own exclusive day-lodge on Colt Island. Enjoy the beautiful grounds, beach, and marine life touch-tank. Dine on Alaskan salmon, Alaskan king crab, or prime rib from the warmth of the lodge, or nestled next to a beachside bonfire. Roast s'mores, experimenting with a variety of chocolate bar flavors!

6 Day 6 True Alaska Exploration/Glacier Bay National Park

Savor the serenity of raw wilderness on an unscripted morning and afternoon of Southeast Alaska discovery. The options are countless, dictated by the day's unique circumstances. Opportunities may include a coastline kayak paddle, up-close whale encounters, or a hike through an alluring old-growth forest. We may do a beach landing on an unspoiled shoreline to explore a tidal flat or track along with a foraging bear from the safety of our DIB. Regardless of the activity, you'll experience the magic of the archipelago's many remote coves, bays, and inlets. In the afternoon, we'll sail into the beautiful Glacier Bay National Park to begin our first day of extended park exploration. Unique opportunities during our voyage through Glacier Bay include a beach trek near the Reid Glacier, a visit to the new Huna Tribal House, and rainforest trails surrounding Glacier Bay Lodge.

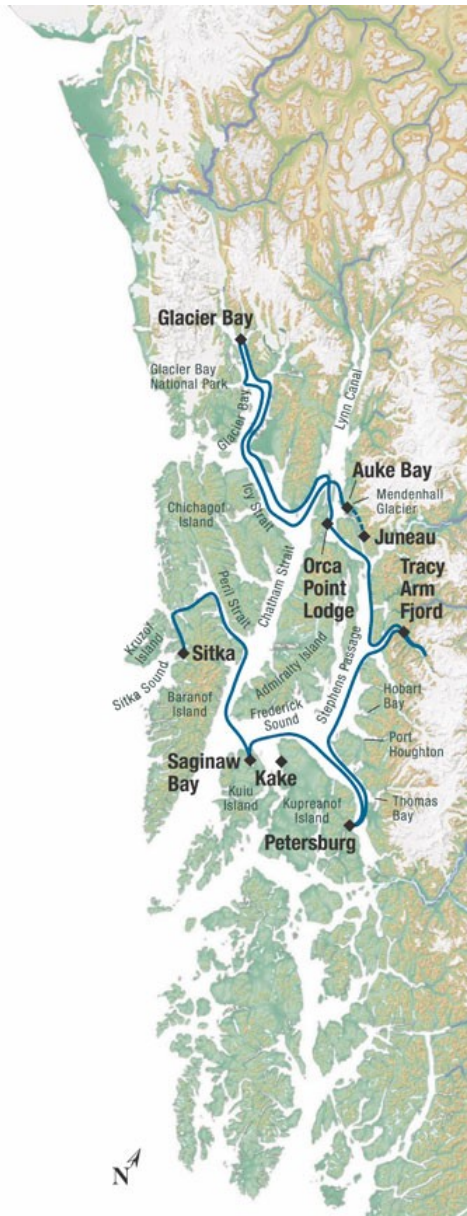

7 Day 7 Glacier Bay National Park

This remarkable national park fjord extends 65-miles, contains eight tidewater glaciers, and provides pristine habitat for a wide-array of wildlife, including both brown and black bears, wolves, mountain goats, Steller sea lions, and humpback whales. The highlight for many is the Margerie Glacier, known for its dramatic calving displays. A Glacier Bay National Park Service Ranger narrates the day's program and a Native Huna Tlingit interpretive

naturalist joins us to reveal traditional cultural ties to this ancient treasure.

8 Day 8 Juneau

Disembark in Alaska's capital city of Juneau. Transfer to the airport or your hotel is complimentary.

Note: Cruise information is subject to change without notice based on navigating conditions. Itinerary order is also subject to rearrangement based on permit allocations.

Alaskan Dream Cruises is authorized by Special Use Permit to provide guiding & outfitting services in the Tongass National Forest and is an authorized Concessioner of the National Park Service, Department of the Interior.

Any travel insurance you may have purchased may provide additional remedies.

LATE ARRIVAL AND EXTRA COST PROVISION

In the event of flight delays, Alaskan Dream Cruises will make reasonable efforts to connect you with your itinerary. However, any added costs are the responsibility of the passenger.

If inclement weather or other conditions beyond Alaskan Dream Cruises reasonable control delay or interrupt an Alaskan Dream Cruises itinerary, and result in additional transportation or accommodation costs, these costs are solely the responsibility of the passenger.

HEALTH AND DISABILITY REQUIREMENTS AND MEDICAL SERVICES

Alaskan Dream Cruises requires passengers to notify it in writing at the time of reservation of any physical or mental illness or condition which require special accommodations or services including use of a wheelchair. Passengers requiring personal assistance or who are physically disabled must be accompanied by someone who assumes full responsibility for such assistance for both the regular activities of the cruise as well as any emergency situation. Alaskan Dream Cruises will make reasonable efforts to accommodate passengers with medical or physical limitations, but reserves the right to deny boarding to a passenger whose condition may affect their safety or enjoyment of the cruise or that of other passengers, or that may affect the safety or operation of the cruise.

Passengers requiring a wheelchair should bring their own. Some shore excursions preclude the use of a wheelchair. Physical conditions aboard the vessel such as stairs, raised thresholds, no elevator, and narrow doorways or passageways may limit wheelchair use, create challenges for mobility challenged passengers, or restrict access to some areas aboard the vessel.

Special diet requests must be received in writing at least 60 days prior to departure. However, even with such notice, Alaskan Dream Cruises may not be able to accommodate all such requests.

Medical facilities for much of the itinerary are limited and often are difficult to access. All crew members aboard Alaskan Dream Cruises vessels are CPR certified, but trained medical personnel are **NOT** available aboard Alaskan Dream Cruises vessels.

EMBARKING AND DISEMBARKING THE VESSEL

Embarking and disembarking is accommodated through the use of gangways, or in some instances, excursion vessels. Ports facilities and tide conditions greatly influence and vary the steepness or placement of gangways or dock ramps.

PASSPORT AND VISA REQUIREMENTS

A passport or visa is not required of citizens of the United States of America (except on select itineraries that visit Skagway). A valid government approved ID is required to board the vessel. Foreign citizens are required to have appropriate passport and visas as may be required by US Homeland Security Administration regulations.

PHOTOGRAPHS AND VIDEOS

Alaskan Dream Cruises occasionally photographs or videos passengers and activities during the course of a cruise. Alaskan Dream Cruises reserves the right to use such photographs or videos for marketing and/or training purposes without obligation to compensate the passenger, and each passenger consents to such use.

SHORE EXCURSIONS

Shore excursions, either included or discretionary may involve touring in a variety of physical environments. Each passenger must determine their own fitness and suitability for any shore excursions. Additionally, the Captain, in his/her sole discretion, may, but has no duty to do so, limit passenger participation in activities that could compromise safety.

RESPONSIBILITY

Alaskan Dream Cruises is not to be considered the principal of any off-vessel operators, and bears no responsibility for their actions or lack thereof.

Alaskan Dream Cruises is not responsible for injuries, illness, or death occurring off the vessel or during shore excursions or off vessel activities and the passenger assumes all those risks. Alaskan Dream Cruises is not responsible for any expense or cost incurred by a passenger due to delays, weather conditions or cancellations of shore excursions or transportation during the cruise.

Alaskan Dream Cruises is not responsible for personal injuries, illness, or death resulting from any peril at sea or cause not within its direct control.

The Captain may, in his/her sole discretion, refuse to transport, confine to a stateroom, or disembark any passenger for among other things illness, disease, injury, mental illness, posing a direct threat to the safety or wellness of self or other passengers or crew or vulgar or improper conduct, illegal substance possession or use, refusal to obey regulations, or otherwise endangering other passengers or crew. Such passenger will bear any expenses related to the above.

Alaskan Dream Cruises operations have been approved by the Federal Maritime Commission.

MARINE & WILDLIFE QUESTIONS

- Wildlife is unpredictable, but plentiful in the area, and chances are good for fantastic marine and wildlife viewing.
- When viewing wildlife, we strictly adhere to all suggested or required distances and procedures recommended by local, state and federal wildlife agencies. Sensitive viewing of wildlife that does not disturb their behavior is paramount to protect wildlife populations.
- Your Cultural and Scientific Expedition Leaders are experienced professional guides and will be able to provide more insight into the marine and wildlife we are viewing.
- Alaska is famous for its mosquitoes, but they are found in numbers mostly in the interior and arctic regions of Alaska. They are not that offensive in Southeast Alaska where weather is cooler and we are mostly on the water and away from land. If bugs or mosquitoes become prevalent our Expedition Leaders will provide you with bug spray.
- *Reminder: Alaskan Dream Cruises provides binoculars to use during your cruise.*

Suggestion: Our schedules are busy with activities, tours and evening programs. However, some free time exists to enjoy the area on your own. As all Alaskans do, we strongly suggest you tell someone (roommate, friend or crew member) where you are going and when we can expect you to return. It's good practice and the Alaskan way of life!

ITINERARY AND DEPARTURES

Itinerary arrival and departure times are always subject to change without notice. Alaskan Dream Cruises reserves the right to cancel, alter, advance, postpone or substitute any scheduled sailing or itinerary, substitute another vessel for the scheduled ship, or substitute or cancel scheduled ports of call in its sole judgment and discretion, and to do so without liability for any loss whatsoever to passengers as a result of said change(s).

Disembarkation is approximately 8:15 am on the last day of your cruise. The earliest flight out is typically 10:00 am.

GENERAL QUESTIONS

- This area is a photographer's paradise. Bring film if you still use it as a very limited selection of film available locally and will be much more expensive. Conditions vary wildly, but low light conditions predominate. Bring extra batteries — they may be difficult or impossible to get locally. You may also want a tripod, UV haze filter, and polarizing filter. Wildlife photographers will want at least a 300mm lens. There isn't a computer available to download digital photos, so bring your own or an extra memory card if you use digital.
- The most frequently asked question we hear is, "When is the best time to visit Southeast Alaska?" Alaska is known for its natural beauty, wildlife viewing, and marine life. Southeast Alaska is rich in history and culture, totem poles, fresh seafood, long daylight hours and the list goes on; so advising our guests when to travel to Southeast Alaska depends on your own passions and interests. Our knowledgeable, Sitka-based reservations team can help direct you to the best cruise departure so you can experience your ultimate Alaskan Dream Cruise.

FOOD AND BEVERAGE SERVICE QUESTIONS

- The Alaskan Dream Cruises' team of professionally trained chefs takes great pride in presenting outstanding meal selections featuring fresh, organic, and locally produced food. Menus change daily, and include a seafood or meat entrée, as well as a vegetarian option. Fresh, locally caught Alaskan seafood is a specialty of Alaskan Dream Cruises.
- Early risers can enjoy fruits, pastries, and hot beverages an hour before breakfast. Meal times vary depending on the day's activity schedule.
- Our Dining Room table configuration allows easy conversation and seating is never assigned so guests can choose different meal companions at each meal.
- A nightly social hour is presented an hour prior to dinner and features delicious freshly prepared hors d'oeuvres in our forward viewing lounges.
- Coffee, tea, hot chocolate, and apple cider are available at all times.
- Special diets or meal requests can be accommodated in most cases. If you require a special diet or have allergies to certain foods, be sure to note those on the Dietary Preference Form so we may accommodate your needs. It is important to give us some advance notice of special diet needs so appropriate food can be on board.
- A selection of fine alcoholic beverages, beer, and wine are available for independent purchase, but are not included in your cruise fare. Unfinished wine can be capped and held for you.

MONEY QUESTIONS

- Most establishments accept credit cards, and ATM cash machines are available in the towns. Traveler's checks are accepted at most establishments.
- An onboard account is established for your purchases of alcoholic beverages, gifts or clothing sold aboard the vessel and at Orca Point Lodge otherwise known as a "cashless" society. You will settle your account prior to disembarking on the last day of your cruise. Major credit cards, personal checks or a cash payment are accepted.
