

## COMMENT FORM

### Tonto National Forest Draft Plan and Draft EIS

This comment form is a means for you to provide your input regarding specific issues for the Draft Forest Plan and Draft Environmental Impact Statement (DEIS) for the Tonto National Forest. Comments should clearly articulate the reviewer's opinions and concerns. Please provide information that will be helpful for the U.S. Forest Service to consider as we revise the forest plan.

For your comments to be considered under 36 CFR part 219 subpart B – to be eligible to submit an objection - we require that you include your name, email, and/or address. Please note that comments received on the Preliminary Proposed Plan, along with the names and addresses of those who comment, will be part of the public record and subject to the Freedom of Information Act requests. Comments submitted anonymously will be accepted and considered in the NEPA process, however, anonymous commenters will not have standing and subsequently will not be able to participate in the objection process.

The draft plan and DEIS are available electronically on the Tonto NF plan revision website, <https://www.fs.usda.gov/main/tonto/landmanagement/planning>. Printed versions will be available at Tonto NF ranger district offices, at the supervisor's office, and at area libraries. Additional printed versions may be requested via email, [SM.FS.tontoplan@usda.gov](mailto:SM.FS.tontoplan@usda.gov), or by calling 602-225-5200.

Thank you for allowing the public to be a part of the process. After talking to the Forest Rangers at a meeting in Mesa I believe I would support option B. It has the best of both worlds in protecting the biodiversity of the Forest, and protecting the water that is so important to the Forest, wildlife and the public that enjoys it.

It is about time that the management of this incredible place moved forward.
