our national lands owned by 328 million americans should include the follwonig management actions:

1. no grazing at any time in any part of our sites
 2. no chemical attacks on nature in any part of national lands
 3. no prescribed burning on nature/animals in any part of national lands
 4. no new roads or use of atvs on national lands in any part
 5. no hunting or trapping of any wildlife -they all need protection not assault and murder
 6. no selling off or allowing in mining, drilling, logging and such assaults on nature.
 7. manage for the entire country because the entire country owns that land, not just local profiteroles who want to rape it.

Upcoming Meetings for the Tonto National Forest Draft Plan and associated Draft Environmental Impact Statement

Public meetings for the Tonto National Forest Draft Plan and Draft Environmental Impact Statement (DEIS)

began on January 8th, 2020. These meetings allow for the opportunity to discuss the [draft forest plan](#) and [DEIS](#) and provide opportunities for comment. Maps for management areas and other planning materials will be available for review and planning team members will be present to answer questions. The schedule of upcoming meetings can be seen below.

Check out the [Plan Revision Website](#) for details on the different types of meetings, answers to [frequently asked questions](#), and information on [how to comment](#) on the draft plan and DEIS.

Open House Public Meetings (5pm – 7pm*)

- Payson, AZ – January 22, 2020, Julia Randall Elementary School
- Superior, AZ – January 23, 2020, Superior Junior/Senior High School
- Cave Creek, AZ – February 5, 2020, Desert Foothills Library
- Globe, AZ – February 6, 2020, High Desert Middle School

*Please note the time change for the Open House Public Meetings, now being held from 5pm – 7pm. This change was made based on attendance at the meetings held during the week of January 6th.

Public Working Days (11am – 2pm)
