To Whom it may concern:

I'm writing to share my opinion that any Forest Service plan for the Mendenhall Glacier Recreation Area should specify NO expanded bus parking near the visitor center; NO vehicle access close to the existing facilities; remote parking for cars and buses during the summer with an electric shuttle system to move people to the facilities; manage for the future with an eye on climate change, renewable energy and sustainability. Also any boats on the lake should be electric, NOT diesel.

Sincerely,

Hannah Wilson
