I realize I missed the public comment deadline, but thought I should send you this anyhow to register my protest to planned "improvements" at Mendenhall Glacier:

Please,

- **NO** expanded bus parking near the visitor center
- **NO** vehicle access close to the existing facilities
- Implement remote parking for cars and buses during the summer with an electric shuttle system to move people to the facilities
- Boats on the lake should be electric, NOT diesel.
- Establish plans to manage for the future with an eye on climate change, renewable energy and sustainability.

Thank you for your consideration.
