Attn: Raven's Roost Cabin Replacement

To Whom It May Concern;

Thank-you for reaching out to Petersburg Indian Association (PIA) for comments on the proposed removal and replacement of the Raven's Roost Cabin. We have reviewed the scope and need for this proposal and do not have any concerns about the project at this time. Raven's Roost Trail and Cabin are used by many in the community, and we're sure the opportunity to enjoy a new facility will be much appreciated.

Again, thank-you for the opportunity to comment and provide feedback. We appreciate all the work that the USFS team does here locally and across the region to provide outdoor recreation sites for all to enjoy!

Sincerely,

Cris Morrison
