

PETITION

THE BELOW SIGNATORIES ARE IN SUPPORT OF THE NEZ PERCE-CLEARWATER NATIONAL FOREST'S "FOREST PLAN REVISION": "ALTERNATIVE X"! TO WIT: NO MORE WILDERNESS AND SCENIC-WILD RIVER AREAS IN THE NP/C NF; MORE VEHICLE AND OFF-ROAD VEHICLE ACCESS ON NF ROADS (OPEN CLOSED ROADS AND DO NOT CLOSE OTHER ROADS!); EXPANDED OPPORTUNITIES FOR LOGGING, MINING, AND, OTHER ACTIVITIES; ETC.

Alternative "X" allows for more access to U.S.F.S. roads (and not closing them off to the public and ATV use); and, more logging and mining activities in the NP-C NF. It stops the encroachment of federal government rules and regulations on public access and control of these areas; as well as, preventing more "Scenic and Wild Rivers" and "Wilderness" designated areas which adversely and directly impact small mountain communities such as Dixie, Elk City, and, Orogrande, Idaho.

NOTICE: To the U.S.F.S. and the USFS NP-C NF Supervisor; You are hereby put on notice, that each signature below, is to be counted as "one" individual and separate vote in favor of this petition. Each signature represents the wishes and desires of each individual signatory. The total number of signatures are to be counted in their totality; not as a single document from some "special interest" group. The total number of votes to be tabulated, are the total number of signatures on this petition and attached pages!
