PETITION

THIS NEZ PERCE-CLEARWATER NATIONAL FOREST'S "FOREST PLAN REVISION" PETITION ADDRESSES THE ADVERSE ECONOMIC IMPACT ON THE GREATER ELK CITY, IDAHO, AREA'S ECONOMY.

A significant portion of the Elk City, Idaho, business community is dependent upon recreation, tourism, hunting, fishing, mining, and, logging in the Nez Perce-Clearwater National Forest. The addition of more "Scenic Wild Rivers" and "Wilderness" areas will have a negative and detrimental impact on the Elk City area economy; resulting in the loss of jobs; economic hardships; and, the loss of County, State, and, Federal tax revenues. We the undersigned, do not want any more Scenic and Wild Rivers, and, Wilderness areas added to the Nez perce-Clearwater National forest!

⑦ **NOTICE:** To the U.S.F.S. and USFS NP-C NF Supervisor; You are hereby put on notice, that each signature below, is to be counted as "one" individual and separate vote in favor of this petition. Each signature represents the wishes and desires of each individual signatory. The total number of signatures is to be counted in its totality; not as a single document from some "special interest" group. The total number of votes to be tabulated, are the total number of signatures on this petition and attached pages!
