Dear Ms. Elizabeth A Humphrey
District Ranger

This letter is in response to the correspondence received in our office in which you provide Ysleta Del Sur pueblo the opportunity to comment on the Proposed Designated opportunity to comment on the draft EA for the New Mexico Meadow jumping Mouse Habitat improvement projects on the Sacrament Grazing Allotment.

While we do not have any comments on the **Environmental Assessment** and believe that this project will not adversely affect traditional, religious or culturally significant sites of our Pueblo and have no opposition to it: we would like to request consultation should any human remains or artifacts unearthed during this project be determined to fall under NAGPRA guidelines. Copies of our Pueblo's Culture Affliction Position Paper and Consultation policy are available upon request.

Sincerely,

Javier Loera
War Captain
