Dear Ms. Humphrey:

Thank you for providing the Natural Resources Conservation Service (NRCS) the opportunity to comment on the New Mexico Meadow Jumping Mouse Habitat Improvement Projects on the Sacramento Grazing Allotment, Otero County, New Mexico.

Based on the information provided the NRCS has no comments regarding the proposed action.

If you have any questions concerning wetlands or other environmental impacts please contact, Santiago Misquez, State Biologist at (505) 761-4432 or email, santiago.misquez@nm.usda.gov.

Thank you for the opportunity to comment.

Sincerely,
