RE: File Code 1950

Dear Ms. Humphrey,

We have received your letter dated February 28, 2017 concerning the comment period for habitat improvement projects on the Sacramento Grazing Allotment. We greatly appreciate the opportunity to review the projects and comment on impacts to PVT facilities. After careful review of the information received, PVT facilities will not be impacted by these proposed projects.

Please let us know if these projects are expanded as facilities are near the proposed project site. If you have any questions or concerns, please contact the Engineering Manager, Laura Weddige at [deshurley@pvt.com](mailto:deshurley@pvt.com) or myself at [mhibbard@pvt.com](mailto:mhibbard@pvt.com).

Sincerely,

Mitch Hibbard  
Engineering Technician
