Working to protect and restore Western Watersheds and Wildlife

August 5, 2020

Interested Person Request

I would like to participate as an interested person in the objection resolution discussions for one or more of the identified objection issues for the Helena-Lewis and Clark Land Management Plan or the regional forester's list of species of conservation concern (SCC).

Name: Jocelyn Leroux

Address: 1202 S. 3rd Street West Missoula, MT 59801

Phone # or email: (406) 960-4164, jocelyn@westernwatersheds.org

I am interested in participating in any resolution discussions between the objector(s) and the reviewing official for the following objection issues:

Land management plan direction and use of best available scientific information for wildlife including connectivity, livestock-carnivore interaction, big horn sheep protections.

Sustainable minimum road system.

Land management plan direction and use of best available scientific information for aquatic and riparian resources, invasive species, livestock grazing, and climate change.

Monitoring program.

Compliance with NEPA regarding environmental analysis, range of alternatives, and response to comments.

Livestock-predator interaction protocols and assessments.

Grizzly bear habitat protections.

Please provide a brief explanation of your interest in the objection(s) and any specific concern(s), including a description of your support or opposition to the objection(s):

I submitted a detailed objection that outlines all specific concerns regarding the above listed items.

Please identify when you commented during the planning process (scoping, draft EIS, and/or final EIS):

I commented on behalf of Western Watersheds Project on the final EIS. Western Watersheds Project also commented during scoping and on the draft EIS/draft plan.
