Name of lead interested person (if more than one): _____

I am interested in participating in any resolution discussions between the objector(s) and the reviewing official for the following objection issues:

Please provide a brief explanation of your interest in the objection(s) and any specific concern(s), including a description of your support or opposition to the objection(s):

- 1) We are in opposition of Plan direction relating to additional recommended wilderness, and in particular, recommended wilderness in the Big Snowies Wilderness Study Area.

- 3) We are in support of the selected preferred alternative and its direction concerning the timber management program and the fire and fuels management program.

Golden Valley County wants to express our appreciation of the Forest Staff efforts to engage the public and especially engaging local government in this process.
