

USFS,

Thank you for the opportunity to provide my feedback as part of Midas Gold Idaho's public permitting process.

Midas Gold Idaho is proposing a great project for Idaho's economy, citizens and environment. When the project goes into production, the company plans to invest \$1 billion in Idaho and provide approximately 1,000 jobs over the course of the mine's life. Midas Gold has made a commitment to look to Idaho first for talent and supplies which will have a major trickledown effect and positively impact many facets of the state's economy.

Midas Gold wants to restore the rivers, wildlife and habitat near the Stibnite Gold Project site. We should let them. Please permit the Stibnite Gold Project and continue to move this important project forward.

Respectfully,

Name: Troy Sundbom
