

USFS,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Midas Gold has shown its commitment to Valley County and the state of Idaho and I encourage you to adopt the proposed activities outlined in Alternative 2 during the permitting process.

One of the biggest challenges facing Idaho is having a trained workforce. Midas Gold not only plans to hire hundreds of Idahoans but the company will provide employees with training to build a more skilled workforce in Idaho. We applaud Midas Gold's commitment to helping Idahoans get valuable training that may not otherwise be available. This commitment by the company will help benefit Idaho families and allow Idaho to attract new businesses in the future.

I encourage the USFS to move the Stibnite Gold Project forward and permit Midas Gold Idaho's project as outlined in their Modified Plan of Restoration and Operations, alternative 2 in the DEIS.

Thanks for your time,

Name: Jonathan Buick
