

Dear Payette National Forest Supervisor,

I have reviewed the Plan of Restoration and Operations and met with members of Midas Gold Idaho to better understand the company's plans for the Stibnite Gold Project. Below are my comments on the plan to be included in the comment period.

The Stibnite Gold Project is NOT GOOD. NOT GOOD AT ALL. LEAVE IT BE. LET THE TRIBE KEEP DOING WHAT IT IS DOING. IT IS NOT GOOD FOR THE FISH and I don't want a CANADIAN company to get to mine this.

IT IS A TERRIBLE IDEA

Name: John Collins
