

Linda Jackson  
Payette Forest Supervisor  
500 North Mission Street  
McCall, ID 83638

Dear Linda,

I would like to lend my support to Midas Gold and their project at Stibnite. This group will do a great job on this project and they offer a great opportunity for Idaho.

Alternative 2 seems to be the best choice in the Draft EIS.

Please support this project for Midas and for Idaho and permit the project as quickly as possible.

Thank you very much.

Tim
