I am support of Midas Gold Idaho has shown they are committed to Idaho and want to take care of the environment. I hope you move forward and permit this project as quickly as possible.

The economic benefits tied in with the environmental restoration for the citizens who live in the surrounding communities, the state and the general population. Also The River reconnected to habitat upstream

Thank you for the thorough review of the Stibnite Gold Project. I urge you to now move forward and permit the mine using alternative 2 so Midas Gold can put Americans back to work.
