

Attention Linda Jackson,

I am writing in support of the Stibnite Gold Project and the benefits it will bring to Idaho. This project has the potential to put hundreds of Idahoans to work, bring a \$1 billion investment into our state and restore an area of Idaho's backcountry desperately in need of repair.

One of the biggest challenges facing Idaho is having a trained workforce. Midas Gold not only plans to hire hundreds of Idahoans but the company will provide employees with training to build a more skilled workforce in Idaho. We applaud Midas Gold's commitment to helping Idahoans get valuable training that may not otherwise be available. This commitment by the company will help benefit Idaho families and allow Idaho to attract new businesses in the future.

I hope the U.S. Forest Service will realize the benefits this project and permit the Stibnite Gold Project using alternative 2.

Best Wishes,
